Reunion 2013 Report

## Hello Fellow Cobras!

Well, I hope all of you have recovered from our reunion activities last month! I have to say I am grateful that so many of you were able to attend. It was great to see you all again and to have a few new faces there as well. For those that couldn't make it, I will tell you everyone had a good time and we look forward to seeing you at next year's reunion so start making plans now!! No excuses!!

We had a great time at the Commemorative Air Force museum in San Marcos but unfortunately were unable to see Miss Connie (their local P-39) fly that day due to maintenance. It's tough keeping those old birds flying but they do an outstanding job. We were also able to recognize Col (Ret) Bill Powers who flew P-51s early on in the Korean War while a member of the 39<sup>th</sup> Fighter Interceptor Squadron. I believe I was able to guilt him into joining our band of misfits so hopefully we'll see him again in the future! After our tour there, we headed to the Gristmill restaurant in Gruene for an outstanding lunch that left everyone unable to move due to being in a food coma. That evening, several members of the 39<sup>th</sup> FTS joined us in the hospitality room for drinks and camaraderie. Frank Royal actually lasted longer than most people half his age and was one of the last to call it a night!

On Friday, we traveled up to Randolph AFB for a day of squadron tours and simulator flights in the T-38, T-6 and even the T-1. I think this was the highlight for most people and our very own 39<sup>th</sup> FTS pilots were their sim instructors. It was great to see everyone knock the rust off their flying skills and jump in like they had never left the cockpit. Bill Miller BBQ catered an outstanding lunch free of charge that once again left everyone with a full belly and ready to relax. That night in the hospitality room proved to be entertaining as usual with "there I was...." stories and "you should have seen it....." tales.

Our annual meeting on Saturday was productive with the members voting to press forward with a reunion location of Washington D.C. next year. Our very own member, Ric Smith II, has already volunteered to begin the planning for it and has some awesome ideas for activities. It will definitely be an event you won't want to miss! The memorial service was moving as always thanks to a great job by our own Rich Clothier. (Cont. on page 3)

**President's Greeting Cont.:** You all will be disappointed to learn that I was unanimously elected to be your next President. My plan for world domination has begun. My partner in crime for the next two years will be none other than MSgt Lisa Cockrum. You may call her "Bluto's #2". Wait, that doesn't sound good. How about Empress Sunshine? It has a nice ring to it, no? We were both humbled to be chosen and look forward to serving you all as well as Physer did for the past two years. We recognized his service at the banquet that night with what I think was a pretty cool gift. He was presented with a samurai sword with a Cobra head for a handle and a wooden wall mount complete with a 39<sup>th</sup> plaque. Needless to say, he was blown away and expressed his thanks to all for allowing him to serve as President for the past 2 years. The banquet was topped off by Mr. Peter Martin & Marvin Abney, RI state representatives, presenting the 39<sup>th</sup> with certificate of appreciations and briefing us on the current progress of the effort to bring one of our fallen 39<sup>th</sup> comrades back home from the South Pacific. You can read the full story in the link provided by Linne Haddock. And with that, another successful 39<sup>th</sup> reunion was complete. Of course, many stayed after to continue the festivities until late into the evening.... For those that made the trip, I hope you all had a good time and it was an honor to be chosen by you as the new 39<sup>th</sup> FSA President. I look forward to seeing you all next year and hope to see more of you in DC!

LTC Brian "Bluto" Haines, 39<sup>th</sup> FSA President

## State of Rhode Island Recognitions

The 39th FSA was honored to have Peter Mater and Marvin Abney, Representatives from the Rhode Island House of Representatives, attend the 2013 Reunion. Peter Martin was the force behind the May 2013 Memorial Service held in the Rhode Island House of Representatives for 2nd Lt. Robert Thorpe, a member of the 39th Pursuit Squadron who lost his life in WW II. The last 39th FSA newsletter had an article about Lt. Thorpe, the Memorial Service, and the involvement of Lew Lockhart.

During the Annual Meeting, Peter provided a short overview regarding Lt. Thorpe and his long overdue Memorial Service. There is a link to the Memorial Service on the last page of the newsletter. It is well worth viewing. He also presented a petition requesting that the US Government do everything possible to repatriate the remains of Lt. Thorpe so his exemplary service and sacrifice for his country can finally be properly recognized and honored. The petition was signed by twenty-three veteran members of the Association and will be sent to the President, Vice-President and all members of the US Senate. If you would like a copy to send to your US House Representative, let Linne Haddock know and she will see that you get a copy of the petition and the accompanying letter.

At the banquet, Peter and Marvin presented the 39th Fighter Squadron Association with two recognitions. The first was a Citation from Rhode Island Governor Lincoln D. Chafee recognizing the Cobra Squadron's "steadfast and loyal contribution to the defense of our country since 1939". U.S. Senator Jack Reed, from Rhode Island, recognized the 39th Fighter Squadron Association with a "Certificate of Accomplishment" honoring the 39th Fighter Squadron for its "steadfast and patriotic contributions to the defense of United States of America since 1939". Both of these documents are now on display at the 39th FTS Headquarters.

To show our appreciation to Peter Martin and Marvin Abney, President Brian Haines presented each of them a 39th FSA silver medallion.
