MARTIN

State Representative

Democrat

Dear Residents of District 75:

My name is Peter Martin and I am running for State Representative in District 75. I am not a politician, but rather a person who has been very involved in the Newport community and wants to do even more. I have been retired since 2000 and I am able to serve you full-time for a part-time job.

I am concerned with the current economic and social issues in the State of Rhode Island and the effect that they are having on the City of Newport. I have been referred to as the 'voice of reason' on the Planning Board. I want to bring that 'voice' to the State House.

I am also concerned with:

- the loss of meaningful employment opportunities in the City of Newport,
- the 'flight' of the working class to other communities,
- the need for better processing of undocumented residents,
- the deteriorating schools and diminishing school population, and
- the resulting lack of qualified candidates for public [elected and appointed] offices.

If you believe, as I do, then I need your support on Tuesday, November 4th. Only by working together can we make the changes that are needed in the State of Rhode Island. I respectfully ask for your vote on election day.
